Office of the Executive Vice President

Name	Report
<p>Natalie Hernandez Executive Vice President asucrevp@ucr.edu</p>	<ul style="list-style-type: none"> ● We had a social Week 3 with the Senators, ECAB members, and my office. Unfortunately, some people did not attend, but overall my office team had a great time with the people that did show up. ● We had a meeting with my office to discuss the plans for our event on Week 4 with Meet the Senators Instagram Live. ● We had three senate meetings within the three weeks! We increased the time from 10 minutes to 15 minutes to discuss items in the agenda. We know that it's not a lot of time, but it gives the Senators a cushion with the time. ● We had the Meet the Senators Event on our Instagram page. It was successful even though my Instagram was acting up. Thankfully my Senate Secretary Dhaou was able to start Instagram Live and everything turned out great. ● We had a giveaway for our instagram page! We gave out 4 \$50 Amazon gift cards! <p>Last week Andrea, one of our prostaff, sent me the form for the winners to fill out by this week!</p> <ul style="list-style-type: none"> ● Week 4 I had a scheduled meeting with the Academic Senate Committee of Courses, but unfortunately I couldn't make it due to class conflicts. ● Week 5 I started meeting with the Senators for our second one on one check in to make

	<p>sure they are doing okay and see if they have any questions about anything. Week 6 will be my last week meeting with them for our second round. I will be scheduling our last meeting Week 9 and Week 10 to see how they felt this quarter and what they can do to improve for Spring.</p> <ul style="list-style-type: none"> ● I met with several members about commencement during week 5. I just filled out a doodle poll to discuss more about commencement with them. ● I had another meeting with my office Week 4 to discuss the social event that we want to create during Week 8 for the Senators and Senate Interns. We planned out the event and we just need to confirm some things before the event. ● I met with my office again Week 5 because we wanted to talk about Mental Health in general. I know it's hard balancing being a student leader and school, so my Executive Assistant La created a google form for the Senators to fill out to see how they are doing and if they need anything. ● My office and I decided to do a day in the life of our team Week 6 and then the rest of the quarter will be Senators. This is a way for students to know how we juggle responsibilities and how we manage time. I know some students when they read what they have to do as a student leader they are worried they won't be able to handle it, but with this we can show it's possible. ● Have been meeting with my team to create a week long events next quarter about mental health. ● Trained as a new Senator, Chass Senator Grigorian has joined and will be getting her committees soon. ● Meeting with Senators one on one next week ● We are doing Senator of the Month again for this upcoming week.
