

Elections Survey Results

Student Voice Committee

Responses: 175

Q24: On a scale from 1–5, how would you rate the integrity of the election process?
(1 being very poor and 5 being very good)

On a scale of 1-5, how would you rate the integrity of the election process? (1 being very poor and 5 being very good)

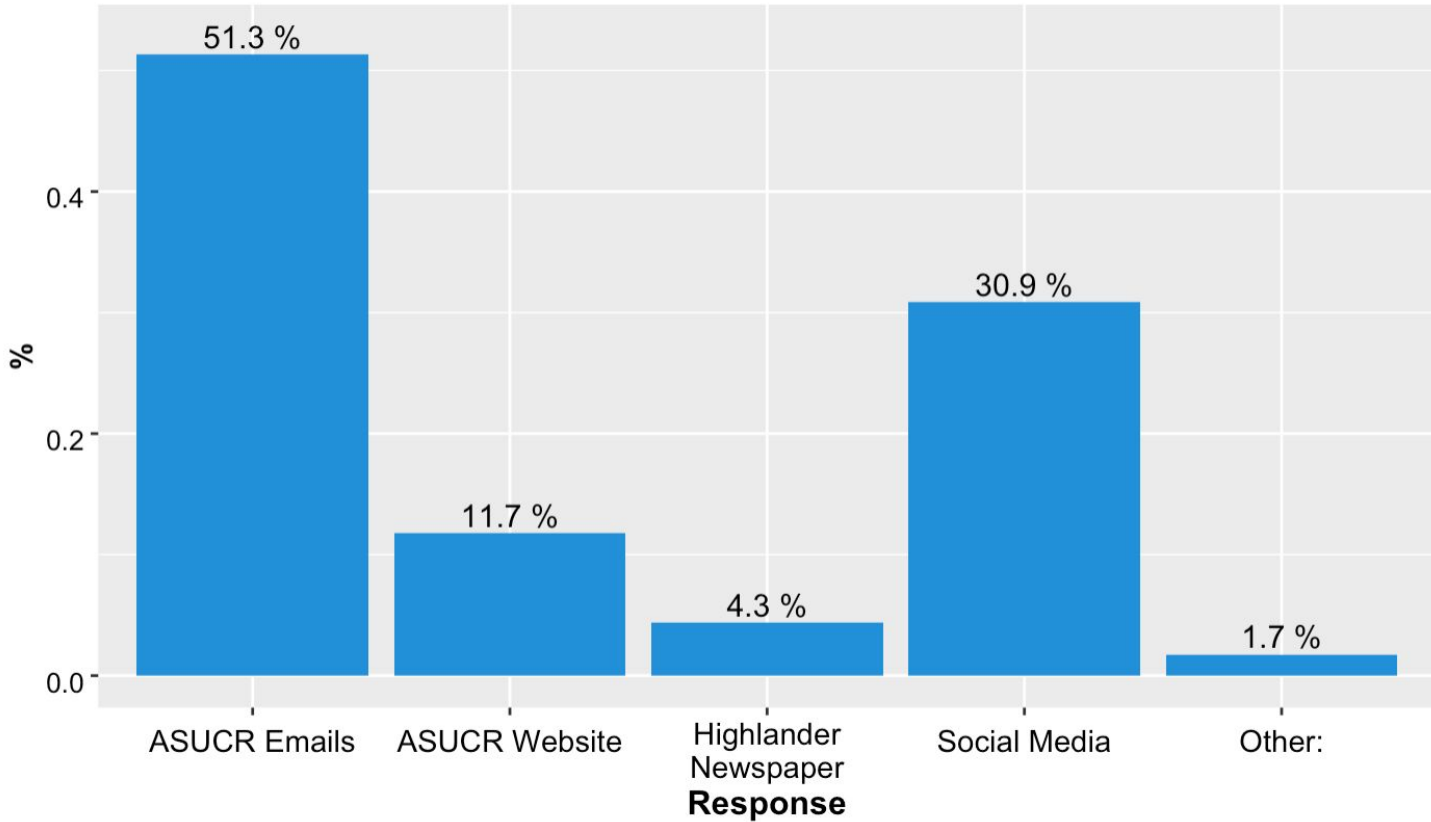

- The results obtained are statistically significant
 - ($p=0.00002452$ for Chi-Square GOF)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 80.2% and 97.4% of all UCR students to rate the integrity of the election process a 3 or above
 - 95% confidence

Q20: Where do you get information about the ASUCR elections?

Where do you get information about the ASUCR elections?

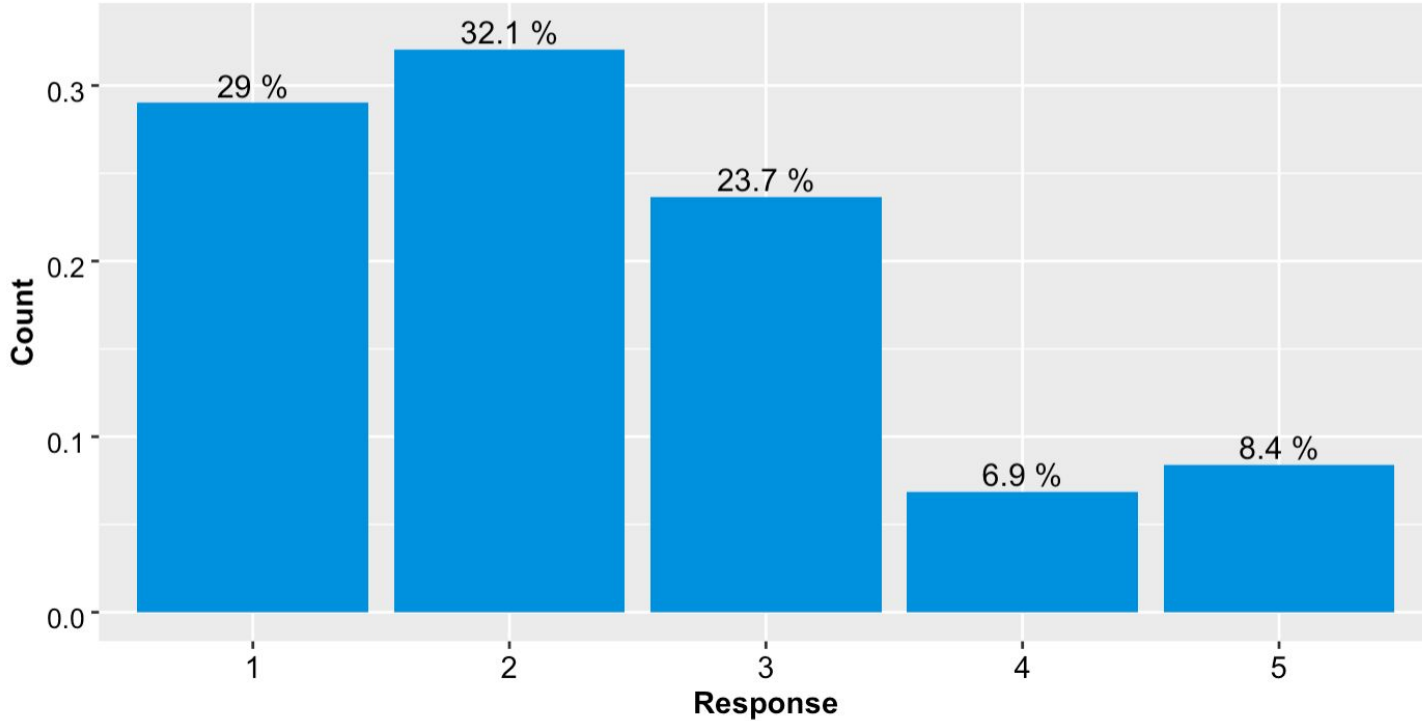

- The results obtained are statistically significant
 - ($p=0.0000000000000000022$ for Chi-Square GOF)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 44.6% and 57.9% of all UCR students get information about elections from ASUCR emails
 - 95% confidence

Q13: On a scale from 1–5, how would you rate your knowledge of how the ASUCR election process works? *(1 being no knowledge and 5 being very knowledgeable)*

**On a scale of 1-5, how would you rate your knowledge of how the ASUCR election process works?
(1 being no knowledge and 5 being very knowledgeable)**

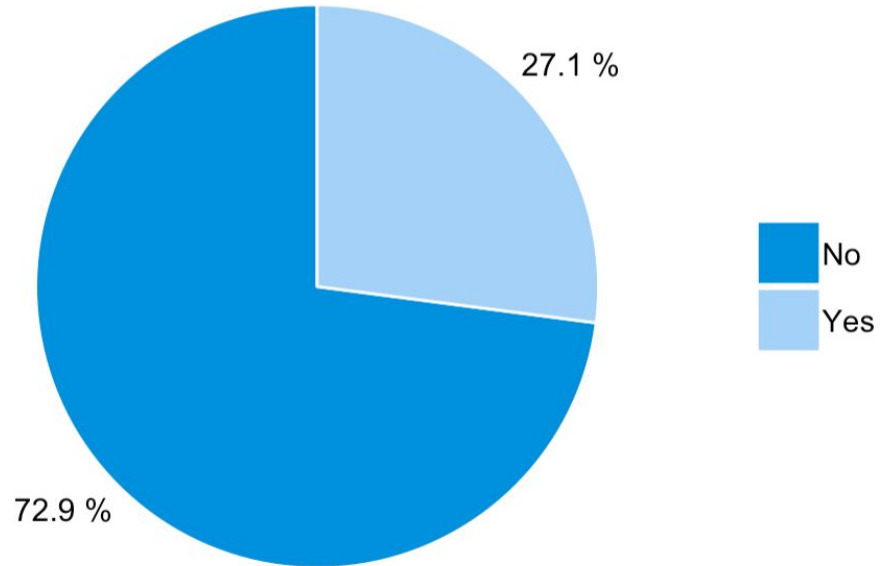

- The results obtained are statistically significant
 - ($p=0.00000000506$ for Chi-Square GOF)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 77.2% and 90.2% of all UCR students would rate their knowledge of the ASUCR election process as a 3 or below
 - 95% confidence

Q16: Are you aware of when the ASUCR elections take place?

Are you aware of when the ASUCR elections take place?

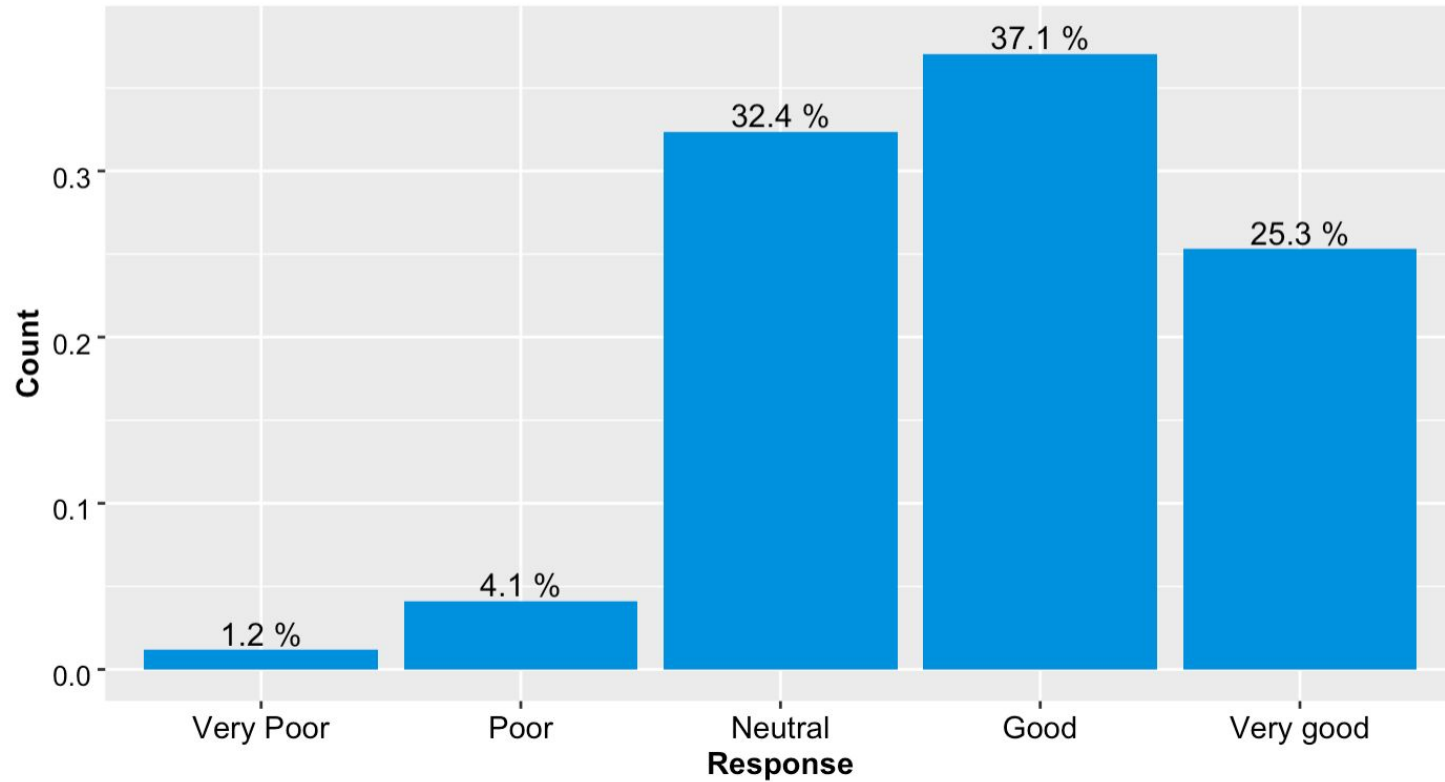

- The results obtained are statistically significant
 - ($p=0.000000003513$ for z-test)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 65.5% and 79.3% of all UCR students do not know when the ASUCR elections take place
 - 95% confidence

Q19: How would you describe the quality of the incentives to vote in the ASUCR election?

How would you describe the quality of the incentives to vote in the ASUCR election?

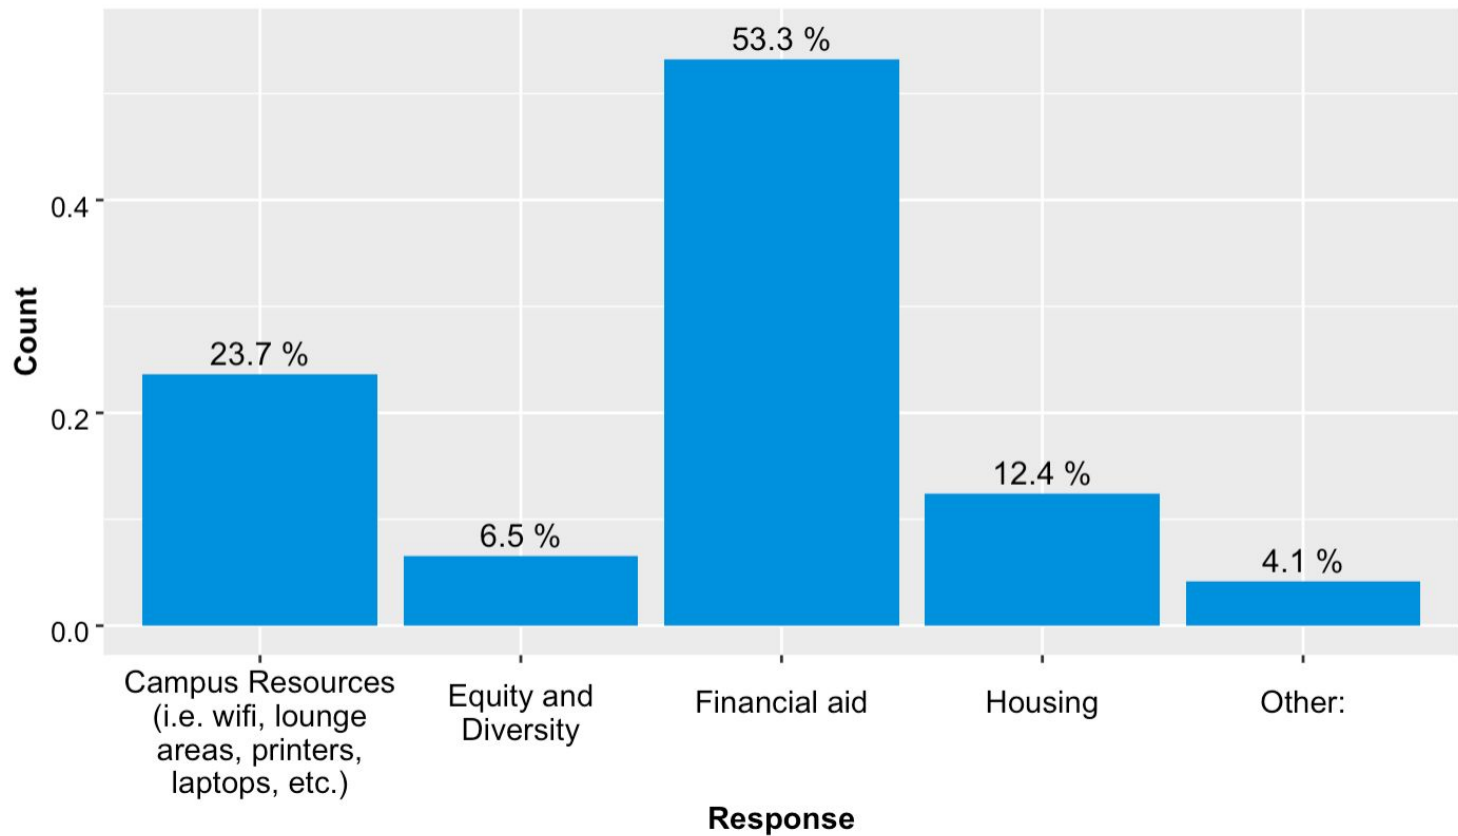

- The results obtained are statistically significant
 - ($p=0.000000000000000022$ for Chi-Square GOF)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 54.5% and 69.5% of all UCR students would describe the quality of voting incentives as “Good” or “Very Good”
 - 95% confidence

Q22: What issue is most important to you?

What issue is most important to you?

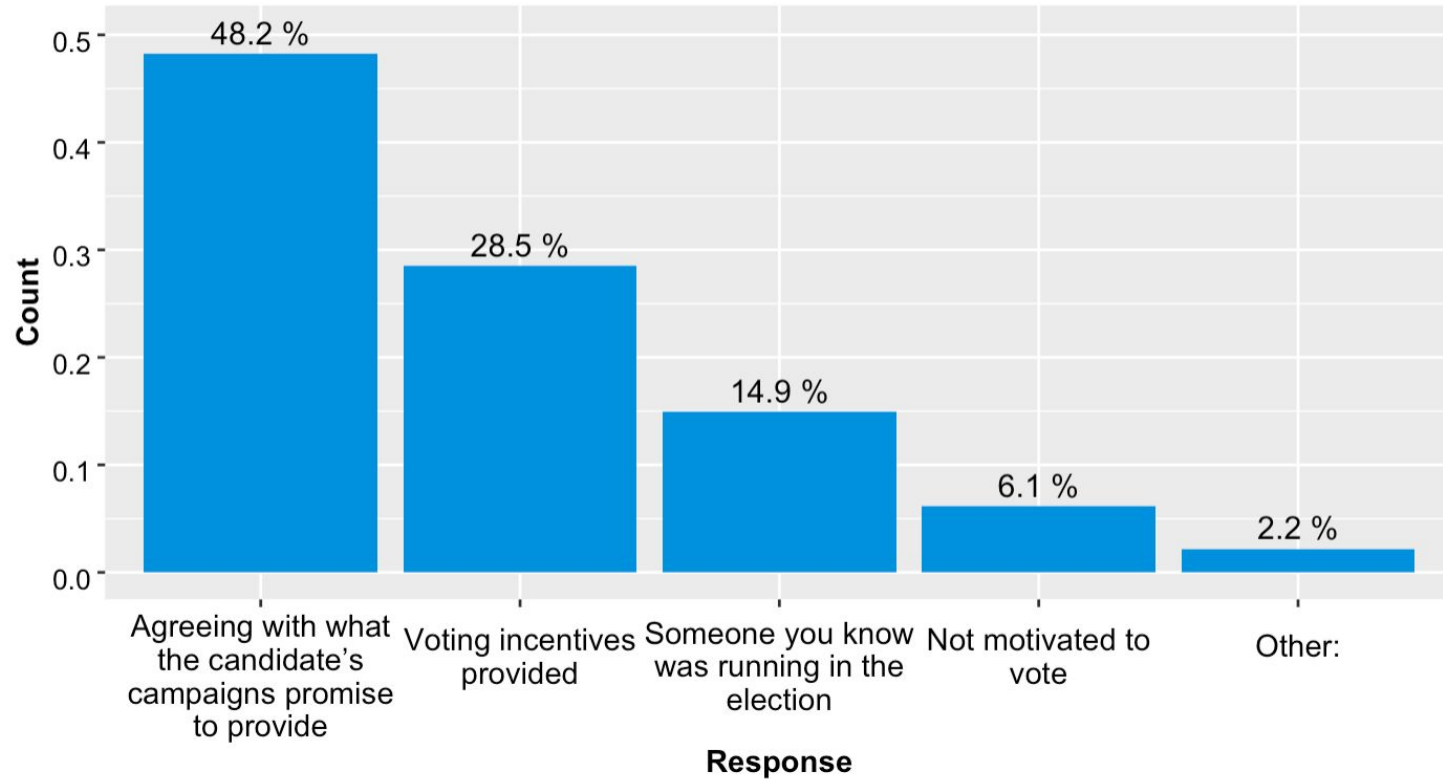

- The results obtained are statistically significant
 - ($p=0.000000000000000022$ for Chi-Square GOF)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 45.4% and 60.9% of all UCR students care most about Financial Aid issues
 - 95% confidence

What most motivates you or would motivate you to vote in the ASUCR election?

What most motivates you or would motivate you to vote in the ASUCR election?

- The results obtained are statistically significant
 - ($p=0.000000000000000022$ for Chi-Square GOF)
- We expect the distribution of all UCR students' responses to look the same

- We expect between 41.6% and 54.9% of all UCR students are motivated to vote in the ASUCR election because they agree with the candidates' campaign promises
 - 95% confidence
